

EFG008563

EFG Team Pro

EFG Team Pro is still one of the most flexible furniture systems on the market today. It is suitable for all types of office environments, large or small. The range is extremely easy to assemble and reconfigure.

Product info

- Free-standing or connected tables in various sizes and shapes.
- Table tops with a core of 22 mm chipboard, veneered with 0,6 mm in beech (R5) and birch (B5) with straight edges. Table tops in laminate (MB, MR, ME, MV, M6 and MA) have a core of 22 mm chipboard with straight edges.
- Height adjustable between 670-820 mm.
- Traditional leg frame Ø 42 mm with "a leg in each corner" connected with long bars. Frame lacquered in white (14), dark grey metallic structure (26) or black structure (24).
- Assembling: Frame is easily put together with an Allen key. The desk tops are simply pressed onto the bars, no tools are necessary for this.
- Guarantee: 5 years liability for defects resulting from faulty design, materials or workmanship.
- Complies with established criteria for furniture eco-labelling. Minor deviations may occur.
- Tested according to: EN 527-1, EN 527-2, EN 527-3.
